- (1) That all employees of the District Government whose annual leave accumulation is in excess of 30 days, shall be required to reduce such excess leave accumulation at the rate of at least ten per cent (10%) annually, which is in excess of the permissible accumulation.
- (2) That the maximum period for reduction of surplus leave accumulations shall not exceed 10 years.
- (3) That this program shall be effective starting January 1, 1954.

- (7) That all such surplus leave shall be completely liquidated by January 1, 1964.
